The **Sustainable** Choice

At the heart of our brand is a commitment to **sustainability**, embedded in every process and product. We believe that sustainable decisions lead to **lifelong change**, and that's why our resources are designed to last and withstand the rigors of **educational environments**, providing a greener, enduring choice for classrooms everywhere.

Environmental responsibility

We strive to **minimise waste**, reduce plastic use and shrink our carbon footprint, all while embracing sustainably-sourced materials. Every box we ship is crafted from **recycled card**, free from plastic interiors, and shipped in **eco-friendly packaging**. We partner only with freight forwarders dedicated to minimising their carbon footprint.

Corporate social responsibility

Each year we **donate** a percentage of our profits and surplus stock to charities. We proudly offer a staff **volunteering program**, contributing to a local Forest School initiative that provides an enriching **outdoor experience** for children.

Governance with **integrity**

Governance is integral to our operations, and we maintain rigorous standards for **ethical trading** with our suppliers. Through regular audits of our overseas factories and a strict anti-bribery policy, we uphold a commitment to **responsible sourcing** and **fair practices**.

Our story

We spread the joy of **play-based learning** through resources that inspire, excite and delight! Our resources are well-loved and well-known for their **quality, innovative design**, and **open-ended** nature.

FSC®-certified

We are delighted to have **FSC-certification** for all our wooden resources. By choosing our **natural wood** products, you will be supporting responsible management of the world's forests.

Five-year guarantee

Day in and day out, our products are tested to the **toughest of standards** to withstand whatever children can throw at them – sand, water and mud included! Our learning resources are built to last, so we're proud to offer a **five-year play-proof guarantee** across our whole range.

Replacement parts

If you happen to misplace a component from any of our sets, find **peace of mind** in knowing we can provide a replacement to ensure the set remains whole.

Designed by experts

By utilising **quality materials** like stone and FSC wood, our team of experts creates **award-winning** multisensory resources loved by practitioners and children.

Educational value

From **early maths** to **imaginative play**, our resources provide rich educational opportunities for children to explore **early learning concepts** in hands-on meaningful ways.

FREE supporting materials

We've created a collection of **downloadable** materials to support our resources, providing practical ways to **inspire learning**, extend play and reinforce key learning concepts.
